

Welcome to Year R!

Curriculum Meeting

What subjects do they learn?

Communication and Language

What your child will be learning this year?

Over the year your child will be immersed in their learning through a range of Topics that change every half term. Although these topics are already planned out, the activities made available in the classroom are adapted to meet the needs and interests of the children within the class.

How can you see
those WOW
moments?

We use a platform called
Evidence Me to share the WOW
moments with you.

More information to follow.

Home Learning

Home Reading

Home Reading Diary
Reading to your child or them
reading to you
Read 5 times a week

Rocket Readers

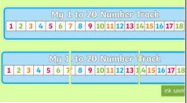

If your child reads at home and it is written in their reading diary, the next day they will receive a raffle ticket and move their name up the rocket. Once they are at the top they become a rocket reader!
Winning raffle tickets get a super surprise!

Topic Challenges

Every half term your child will be sent home with some home learning revolving around the learning that is happening at school. There are 6 options. You do not have to do all 6 but choose the ones you feel your child will enjoy. Be as creative as you wish!

<p>Hand Crawls</p> <p>Make your fingers into a crawling spider. Make your spider walk or run across the table.</p> 	<p>To create a Minibeast Garden. What kind of minibeasts live in your garden? Do the minibeasts like flowers?</p> 	<p>Race to 20 Game</p> <p>Who can get to 20 first? Roll the dice and place that number of counters on your track. If you roll a 6 you miss a go.</p> 
<p>To create an Ugly Bug Ball Dance.</p> 	<p>Go on a <u>Minibeast</u> Hunt and see how many different Minibeasts you can find. Make a tally of how many Minibeasts you found.</p> 	 <p>Maths City 1</p> <p>To play different number games on Purple Mash Maths City 1.</p>
