

## Spring 2

### Topic homework.

Please choose at least **3** pieces of topic homework to complete by Monday 20<sup>th</sup> April.

This should include English and Maths then one other (or more!).

This is an opportunity to share some time and experiences together with your child whilst developing your child's learning.

Don't forget you can present your home learning in any way that you would like: posters, booklets, drawings etc!

|   |  |  |
|---|--|--|
| <p><b><u>English</u></b></p> <p>We are listening to and reading lots of Superhero stories. We would like you to design your own Superhero!</p> <p>Give your character a Superhero name and then write sentences to describe them. Make sure you are using adjectives so you are painting a picture in the reader's mind.</p>  | <p><b><u>Religious Education</u></b></p> <p>On 12<sup>th</sup> April Christians around the world will be celebrating Easter. We would like you to research why Easter is important to Christians and what they do to celebrate it.</p>   | <p><b><u>Art</u></b></p> <p>Year One will be learning about the artist Paul Klee.</p> <p>We would like you to visit Portsmouth Museum and take a look at all of the different works of art they have on display. Which is your favourite and why? Have a go recreating your favourite painting.</p>  <p>at</p> <p>(Portsmouth Museum is free and has lots of other exhibitions to look at!)</p> |
| <p><b><u>History</u></b></p> <p>Year One are going to be learning about famous people who are considered heroes, such as Grace Darling.</p> <p>We would like you to find a historical place in Portsmouth and tell us why it is important! There are lots to choose from. You could even take pictures of you there!</p>     | <p><b><u>Music</u></b></p> <p>Listen to 'A Dark Knight' by Hans Zimmer. How does the music make you feel? Create a picture in your mind, like a scene from a film. What is happening whilst this music is playing in the background?</p> <p>You can draw what you see or write it down as a story!</p>  | <p><b><u>Maths</u></b></p> <p>In Maths we have been learning about measuring. We have measured objects using non-standard units (how many paper clips, how many pencils long etc) and also used standard measure using a ruler measuring in cm. Can you have a go at measuring objects around your home either in non or standard measurements?</p>   |
