

College Park Infant School - Curriculum Newsletter - Year 1

Our theme for the first half of Spring 2020 is:
'Around the World'

We will be:

English

- Retelling and writing stories.
- Learning to correctly use the suffix 'ed'.
- Learning different stories with animals.
- Working on carefully sounding words out, spotting digraphs, trigraphs and split digraphs.

Science

- Identifying and naming a range of common animals.
- Grouping animals into mammals, fish, birds, reptiles and amphibians.
- Identifying carnivores, herbivores and omnivores.

R.E.

- Exploring the Hindu religion and festivals linked to that religion.

Computing

- Practising keyboard and mouse skills.
- Learning about algorithms and using this to control a program.

Maths

- Recapping our knowledge of 2D and 3D shapes, using mathematical language to talk about them.
- Describing positions, direction and movement- making $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{3}{4}$ turns.
- Using our number bond knowledge to support addition and subtraction.
- Learning about different types of measure such as telling the time to O'clock.

Art

- Exploring Aboriginal Art.
- Learning about Dream time story characters.
- Creating a piece of collaborative art.

P.E.

- Exploring contemporary dances.
- Creating dances which reflect the seasons.

Geography

- Learning the names and locating the World's continents.
- Understanding our location within the World.
- Recognising the features of different locations.

Please Remember!

Keep filling in your Bookmark to be a Reading Star!
Please ensure all clothing is named clearly- including hats, scarves and gloves.
