

Our theme for Autumn Term 2 is:

'Out of this world!'

We will be:

English

- Blending & segmenting sounds to spell & read simple words.
- Spelling and reading Common Exception Words.
- Writing our own information texts.
- Forming letters correctly.
- Editing and improving our writing.

Maths

- Talking about our Maths in full sentences.
- Solving simple subtraction problems.
- Beginning to understand Place Value, for example 12 is made up of one group of 10 and two 1s.
- Identifying and knowing the value of money.

Computing

- Improving our mouse control.
- Designing and making our own greetings card.

Science

- Naming and labelling parts of the human body.
- Learning about and using our senses.

Art

- Mixing colours to create darker & lighter shades.
- Naming own colours created.
- Creating Christmas decorations.

R.E.

- Learning how we use candles for a variety of purposes.
- Finding out about the ways Christians use candles during advent.

Music

- Using dynamics and repeated rhythms to create own piece of space music.
- Learning a variety of Christmas songs.
- Performing to an audience.

P.E.

- Practising our Gymnastic and Travelling skills.
- Creating different balances.

History

- Learning about famous people: Unknown Soldier, Neil Armstrong and Helen Sharman.
- Recognising similarities and differences between different periods of time.

Please Remember!

Keep filling in your Bookmark to be a Reading Star!
Please ensure all clothing is named clearly- including hats, scarves and gloves.
