

African Adventure Topic Homework ideas

<p>Go to the library in North End and find some books about Africa to complete some research about what it would be like to live there.</p> 	<p>Make a 'Safari in a shoebox' Decorate the inside of a box to look like the African Savannah. Make some animals to add to the scene.</p> 	<p>Visit these websites to do your own investigating!</p> <p>http://www.sciencekids.co.nz/experiments.html</p> <p>https://www.science-sparks.com/category/primary-science/key-stage-1-science</p> 
<p>Look at and explore making animal patterns using different media e.g. charcoal zebra prints, painted giraffe print</p>  	<p>Listen to some traditional African music and talk about how it makes you feel. Can create some similar music yourself? OR Listen and learn an African rhyme.</p> 	<p>Following our 'Wake and Shake' routines, can you pick a favourite song and create your own dance for us to do in class?</p> 
<p>Visit https://www.ictgames.com/ for a variety of fun games. Please use 'Whack a mole' & 'Duck Shoot' to practise counting in steps of 2, 5, 10.</p> <p>This term we will also be sending home a couple of Maths activities to be completed and returned that link to the learning in school.</p> 		<p>We will be writing descriptions of a pineapple in school. Choose a different fruit to describe. What does it look like on the outside? What does it look like on the inside? How does it smell and taste?</p> <p>Use a range of adjectives to describe it (not just delicious and juicy)</p> 

Please remember to return your Topic Book every week so the teachers can look at the work being completed. We would appreciate it if parents or children could write in topic books when they take part in the website based activities suggested.

Don't forget to use Bug Club to read!!
