

Topic Homework in Year 3: Linked to Literacy and Science

This term in Year 3, we are focusing on *The Wild Robot* in Literacy and Animals including Humans and Plants in Science.

Please encourage your child to extend their learning at home, by researching and completing these creative homework tasks. We love to celebrate outstanding pieces of homework, so get creative!

<p>Design your own habitat</p> <p>All animals live in a habitat, but each is very different. You could choose an animal from our texts or design your own and build a home for that animal</p>	<p>Create your own animal</p> <p>Design and create your own animal that could live on 'The Wild Robot' island.</p> <p>Can you mash up some already existing animals to make a new species?</p>	<p>Research habitats (forest, rainforest, jungles)</p> <p>Using books, stories or the internet research habitats of any animals.</p> <p>What animals live there and how?</p> 
<p>Build a Robot that could live on the island</p> <p>Using any resources at home, build a robot to help Roz live successfully on the island</p> <p>Does your robot have a special skill? Can your robot survive in harsh conditions?</p> 	<p>Write an ending for the Wild Robot</p> <p>How will the story end?</p> <p>Use some amazing language to create an ending worthy of our school library!</p> 	<p>Research food chains and create a 3D model</p> <p>In science we will be looking at animal food chains</p> <p>Can you create a 3D model of a food chain using resources or junk at home?</p>
