

Our theme for Autumn Term 2 is:
'OUT OF THIS WORLD!'

We will be:

English

- Blending & segmenting sounds to spell & read simple words
- Writing our own short pieces
- Learning about nouns, verbs and adjectives and using them in writing
- Forming letters correctly
- Editing and improving our writing

Maths

- Talking about our Maths in full sentences
- Solving simple subtraction problems
- Beginning to understand Place Value up to 20 e.g. 12 is made up of one group of 10 and two 1s
- Naming 2d and 3d shapes
- Problem solving using our knowledge

Computing

- Improving our mouse control
- Designing and making our own greetings card

Science

- Learn how animals are grouped: birds; mammals; reptiles; amphibians; fish.
- Identify common animals that are herbivores, carnivores and omnivores

Art

- Mixing colours to create darker & lighter shades
- Naming own colours created
- Creating Christmas decorations

R.E.

- Learning about the significant parts of a church
- Finding out about the ways Christians use candles during advent

Music

- Using dynamics and repeated rhythms to create own piece of space music
- Learning a variety of Christmas songs
- Be able to repeat simple rhythms

P.E.

- Learning about core strength & balance
- Practising a range of dance movements
- Creating short routines to music using different dance movements

History

- Understand why people are famous
- Learning about the significance of Remembrance Day and Unknown Soldier
- Learning about the significance of the astronaut Neil Armstrong
- Recognising similarities and differences between different periods of time
