

Quirky Queens Topic Homework ideas

Here are the Summer 1 term's 12 ideas for Home Learning activities. If your child is able to attend school, you should aim to complete a minimum of 3 activities. **If you are having to self-isolate**, complete as many ideas as you can manage to support learning whilst your child is not at school. **For isolating** children, there are also activities loaded onto Purple Mash supporting Phonics Home Learning. Please return the Home Learning book by 7th June so it can be shared with their class teacher.
