

## Year R Summer 1 Home Learning

### Kindness Dragon

Task - Use your manners at home.  
Can you use them more than 5 times in a day? When did you use your manners?

### Creative Dragon

Task - Can you make a meal for the Very Hungry Caterpillar? Be creative and use a range of resources e.g. play dough or natural resources.

### Independence Dragon

Task - Create a fact file about your favourite bug.  
Can your teacher guess your favourite insect from the facts?

### Responsibility Dragon

Task - Can you explain how you would show respect to nature. You could create a poster, make a video or draw a picture.

### Teamwork Dragon

Task - Work with people at home to create a bug hotel.

### Resilience Dragon

Task - Can you make a minibeast and decorate it with tricky words.

For each of the tasks, you can record however you would like using their homework book. You could take photos, scribe their ideas or they could draw pictures. You can also use the QR codes to upload onto SeeSaw.

Please aim to complete three tasks but it would be lovely to see them all.

### Challenge Dragon

Task - Under the log, we can see 14 insect legs. What combination of insects could be hiding under the log?  
e.g. 1 ant and 1 spider.
