

Reception Autumn 2 Topic Homework

Please choose at least **3** pieces of topic homework to do.

We have provided a wider range of activities than in previous years, because in the event that your child needs to self-isolate they can continue to work through these as part of their remote learning.

<p>When you are out and about or even just at home play a game of 'I spy' using the beginning sounds of words.</p> 	<p>Get crafty and make a celebration card for someone. Encourage your child to write the inside of the card themselves, thinking about the sounds they can hear in words.</p> 	<p>Explore Portsmouth looking for Christmas lights. Talk to your child about your local area. Encourage your child to take a photograph for themselves using any technology you have.</p> 	<p>Create a firework picture. What different kinds of fireworks can you create? What will use to create your fireworks?</p> 
<p>Make something you would eat during a celebration e.g. jelly, a cake, sandwiches. Talk about celebrations you know happen in other parts of the world.</p> 	<p>When you are out and about play a game of 'I can hear' (similar to 'I spy' but with sounds they can hear in their environment).</p> 	<p>COUNTING</p> <p>Create your own washing line of clothes. What items are you going to put on the washing line? Can you count how many items you have? How many items do you altogether? Can you count them back in the basket?</p> 	<p>To write a list of things you need for a party e.g. food/decorations What sounds can you hear in the word?</p> 
<p>NUMBER HUNT</p> <p>Set up a number hunt around the house or in the garden. Ask your child to find the numbers and put them in order 1,2,3,4. Can your child match amounts to the numerals?</p> 	<p>Guess my object: To have a box with different objects in from around the house. To give some clues and you have to guess what it is e.g. It is fluffy. It has 2 eyes.</p> 	<p>Star Breathing Exercise- Take deep breaths in and out.</p> 	<p>To create your own Toy Party. What music do you need? Decorations? Food? Who do you need to invite?</p> 
<p>Dance to your favourite party song and think about some creative movements you can add to it.</p>	<p>Listen carefully to the sounds around you. After 1 minute talk about the sounds you heard. What sounds did you hear?</p>	<p>Printing</p> <p>Explore printing with different objects. What objects will you use? What colours will you print with?</p>	<p>Matchstick Shapes</p> <p>Can you make squares and rectangles with matchsticks? How many matchsticks did you use? What is the smallest square you can make? What is the largest?</p>
