

## Reception Summer 2 Topic Homework

Please choose at least **3** pieces of topic homework to do.

There are a wide range of activities that you can choose from and if you would like to share your learning you can place any work into your child's Home Learning Book (Pink Book)

To make a collage using different materials of a ship or a boat.

Use your words from school in your writing as well as your reading so you can show that you know them really well.

You could write about the activities you have completed.

it	she
was	is
you	for
they	at
on	his

To explore measuring the capacity of different containers such as buckets and cups.

Compare how much each container will hold and estimate how many cupfuls it would need to fill a different container. Use language such as 'empty', 'half-full' and 'full'.

Go on a search around your home for things you could use to make a boat. Just like this one:

Visit the beach or an aquarium with a grown-up and explore what you might see there.

Draw your favourite underwater creature and write down some facts about it that you have found out.

### OCTOPUS FACTS

- The blue-ringed octopus is one of the most popular species in home aquariums because of their beauty and small size. They are also one of the most poisonous animals on earth!
- Though the blue-ringed octopus is merely the size of a golf ball, its venom can kill a human being.

Visit the beach and help the environment stay clean and tidy by doing a Litter pick at the beach.

Or you can go for a hunt for uses of water in your home.

What would you take to a deserted island?

Why would you take that?

Can you label the parts of a fish?

Upper reception/understanding of the world/animals/parts of a fish

To order numbers to 20.

Rollercoaster - Ordering

'Upper Reception' /Mathematics/Counting and play

Choose any activities from the golden time section

# Sink OR Float

When you have a bath or if you play in your paddling pool, can you find objects that will float and sink?

Can you colour a sea creature?

Reception/Understanding the world/the world/animals/sea creatures

Can you clear the road for the chicken?

Reception/Maths/Space, shape and measure/Block a doodle doo

To practise reading sentences, play

Read the caption

Upper Reception/Literacy, Communication and Language/word reading

Can you paint a picture?

Upper reception-understanding of the world-Technology- Busy paint and publisher
