

An aerial photograph of a campsite nestled in a dense forest. In the center, there are several large, multi-story buildings with light-colored roofs, likely dormitories or administrative buildings. To the right of these buildings is a large, paved parking lot filled with cars. In the foreground, there is a large, open grassy field. The surrounding area is covered in thick green trees.

Year 4 and 5 Residential Trip

Let the Adventure Begin!

Activities

All PGL's adventure activities take place under the instruction and guidance of specially trained PGL instructors who prioritise safety above all else. Activities take place on land, on the water and in the air (for our rope-based challenges), so each brings a different (and fun!) way for children to challenge themselves in a friendly, safe and supportive environment. You can see a full list of activities on each centre page, along with a full description and photos.

Medication for my child:

If your child will require any regular medication during our visit, please hand it to Mrs Farrell, who will be situated in the car park with her medical box, in a clearly labelled box / bag on arrival to Marchants Hill on Sunday 12th at 3:00.

On the label, please include your child's full name and dosage instructions.

Peace of Mind

Can I contact my child while they are away?

For many children, part of the learning experience is about being away from home, sometimes for the first time. We would ask parents to allow their children to settle in and enjoy the experience.

In the case that you need to contact your child, please call the school office who will contact the Party Leader in charge of the trip.

It's my child's birthday while they are away.

If the Party Leader is aware of this, we will be happy to arrange a birthday card and a VIP sticker entitling the birthday boy or girl to special privileges throughout the day; for example queue jumping for meals and activities. Happy Birthday will be sung during the day in an appropriate place.
