### School Dinner Survey

We are currently reviewing the school dinner options offered to pupils. At present, Caterlink provides three main choices each day:

- one meat option,
- one vegetarian option
- one plainer option eg. pasta/jacket potato.

Caterlink are considering adding a **fourth choice – a cold sandwich option**. An example of this menu is below.

<b>MENU KEY</b>		<p><b>ALLERGY INFORMATION:</b> If you would like to know about particular allergens in food, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of cross contamination.</p> <p><b>caterlink</b> feeding the imagination</p>				

In order to make sure that the menu continues to meet the needs and preferences of our pupils, we would like to hear your views. We encourage you to discuss this with your child before completing the survey, as their opinions are very important to us.

Please take a few minutes to complete the short survey using the link below:
