## **King's Academy College Park**

A King's Group Academy

Headteacher: Mrs R Carlyle

Monday 19th May 2025

### **International Day**

Dear Parents/Carers,

As part of King's Group Academies, we promise to offer our students opportunity and success on a global stage. Our vision is to create a global community of pupils and staff, developing character, broadening horizons, fostering understanding and raising aspirations through the golden thread of our trust, the International Dimension. KGA pupils are exposed to an internationally-focused curriculum, enriched with opportunities to celebrate cultures and challenge global issues. Partnerships with both international and local schools overseas offer pupils meaningful connections with the wider world, enabling them to thrive in a global society.

Already this year, we have hosted students from China as part of an exchange programme; pupils in Year 3 and 4 have exchanged work with pupils in Barcelona; and our Year 5 pupils have engaged in a collaborative project with a school in Abu Dhabi - a project which is now in its third year of running successfully.

On **Wednesday 21st May** we will be celebrating our third annual International Day. Our International Day is an opportunity for pupils at KACP to learn about the world and develop their *international mindedness*, which we define as:

- Understanding ourselves, our home and heritage.
- Understanding our place in the wider world.
- Appreciating and valuing other traditions and culture.
- Developing an awareness of what is happening in the world around us.

Pupils will have the opportunity to engage in a range of creative activities to develop their understanding of culture and geography of different locations across the globe.

We are excited to continue this KACP tradition with the pupils.

**Please note: If your child is in Year 3, they will be having their International Day on Thursday 22nd May due to the Tuppenny Barn trip.**

Kind regards  
Miss N Pullen
