Year 5 Targeted Teaching Groups

Dear Parent/Carer,

I am writing to inform you that from Monday 17th March 2025, we will be implementing targeted teaching groups for core subjects in the mornings. Children will come into their current class as normal and register, then go to their targeted group classroom for Reading, Writing and Maths; returning to their current classes for the remainder of the day.

Through this approach, children will be grouped based on current academic levels, allowing our teachers to provide focused support and challenge where necessary. Our goal is to create an engaging and effective learning environment that maximises each child's potential.

We appreciate your support in this and encourage open communication regarding your child's progress. If you have any questions or would like further information, please do not hesitate to contact us.

Thank you for your cooperation.

Yours sincerely

Miss Boister & Miss Pullen
