KACP Summer Fete

Dear Parents/Carers,

This year we will be hosting our Summer Fete at King's Academy College Park on Saturday 12th July from 10am to 1pm. This will be our final fundraising event of the year!

We encourage pupils and families to get involved, and would like to invite pupils to design and run stalls with their friends and family to support in raising money for the school. Pupils can be as creative as they want (as long as it is safe!) and create their own items to sell, design games to play, run a bake sale - or anything else they can think of!

We are also offering parents and carers the opportunity to run a stall to advertise their business, or sell their own products at a cost of £5 per table.

If you or your child would like to be involved in the running of this exciting event, please fill out this [form](#) stating the key information needed. Pupils can work in teams with their friends but we would ask that one adult is present on the day to oversee pupils and take responsibility for the group.

If you know of any local charities that would like to run a stall free of charge, they can also fill out a [form](#) or send an email to contact.cp@kingsacademies.uk.

Many thanks,

Miss Pullen
