# Message from Mrs Carlyle

Dear Parents

It's hard to believe we're already approaching the May half-term break—this half-term has flown by! Although it's only been five weeks, it has certainly been packed with activity.

We've enjoyed a number of fantastic trips, including visits to Hillier Gardens, Staunton Country Park, Tuppenny Barn, Marwell Zoo and Paultons Park. This week, children across the school have also been taking part in Scootability, which has brought a wave of excitement—its energy has been truly infectious!

Last week, our pupils completed their SATs. The children were absolutely incredible and approached the week with maturity, calmness and resilience. Their determination and positive attitude reminded me yet again how fortunate I am to be part of the King's Academy College Park community. The children, staff and our supportive families make this a very special place to be.

As we look ahead to the final half-term of the year, we know it will be both busy and exciting, with many events to look forward to—Sports Day being just one highlight on the horizon.

Wishing you all a restful and enjoyable half-term break. Fingers crossed for more sunshine! Take care, and thank you—as always—for your continued support.

Mrs Carlyle

## HOW TO MEASURE YOUR CHILD

**HEIGHT:** Without shoes, with the back against the wall place feet together flat on the floor. Measure from the top of the head to the ground.

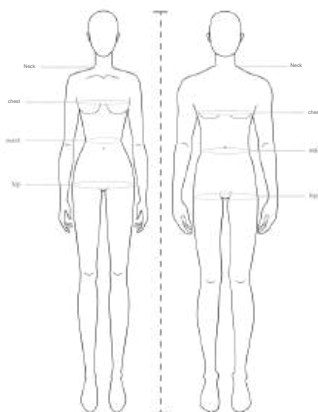

**NECK:** Measure around the base of the neck where the shirt collar would normally sit. Leave a little room for comfort.

**CHEST:** Measure the chest at the fullest part placing the tape close up under the arms.

**WAIST:** Measure around the natural waistline, at the narrowest part. Leave a little extra room for comfort.

**HIPS:** Standing straight, with heels together, measure around the fullest part.

**INSIDE LEG:** In bare feet take the measurement from the top of the inside leg to on or just below your ankle joint, where the trousers would naturally finish.
