Year 4 Scootability sessions

Dear Parent/Carer,

On Tuesday 20th and Thursday 22nd May, Year 4 will be taking part in a Scootability session run by 'Pedal Power Training'. It will give your child the skills and knowledge to ride safely. The sessions will also provide your child the opportunity to develop their safety skills by riding their scooter on the pavements around the school area, leaving the school site. If you **do not** wish your child to take part in the session, please let the office know as soon as possible.

Tuesday 20th May - 4HT and 4CM classes

Thursday 22nd May - 4ML and 4RW classes

If your child has a scooter and a helmet, please could they bring these into school on the appropriate day. Children will not be able to take part if they do not have a helmet, so please ensure they bring one.

There will be some scooters and helmets to borrow on the day for children who don't have them.

Best wishes

Miss Pullen
