Dear Parents/Carers,

We are writing to inform you of some sad news regarding one of our pupils, who has started ongoing treatment for cancer. Understandably, this is an incredibly challenging time for the family, and many of you have kindly reached out to offer your support. We are grateful for your compassion.

As a school community, we want to ensure a coordinated and thoughtful response. Please be assured that we are in close contact with the family and are providing all the support we can during this difficult period.

We will keep you informed if there are any further actions or updates that require your involvement. In the meantime, our thoughts are with the family, and we ask you to join us in keeping them in your hearts during this time of uncertainty.

Thank you for your continued understanding and support.

Yours sincerely,

Mrs Carlyle
