Opportunity and success on a global stage

Dear Parents/Carers,

As part of our plans to enrich our personal development provision for pupils at King's Academy College Park, and to embrace the KGA vision 'Opportunity and success on a global stage', we are looking to appoint new International Ambassadors. We have had a successful year of pupils in Years 3 to 6 taking on this role, and are now looking to expand this to our infant school pupils.

These pupils will represent the school in all things 'international' and support us to make our international day come alive and become a truly memorable experience. Other details of the role can be found [here](#).

We want to ensure our whole community is represented, and with this in mind, are particularly looking for pupils who:

- Speak an additional language
- Have international links
- Have lived in another country

To ensure that the application process is fair, pupils can either submit a letter to Miss Pullen stating why they want to be a KACP International Ambassador, or if they struggle with their writing, can speak to Miss Pullen in person.

Applications will close on Friday 27th June and your child will find out if they have been successful by Friday 11th July.

Please take the time to discuss this exciting opportunity with your child and contact the office if you have any questions.

Many thanks

Miss Pullen
Deputy Headteacher
