

TRANSITION INFORMATION

Special Edition

Welcome back after the half term holiday. I hope you all enjoyed the jubilee celebrations. The celebrations on Friday 27th May were enjoyed by everyone and it was great to see all the children and staff enjoying dressing up in their individual decade costumes. Myself included!

The start to term has been really positive with the children settling quickly. It is going to be a very busy half term with induction evenings, transition, sports day and just the general business of this half term.

The newsletter contains lots of important dates and times, please put them in to your diaries. Enjoy reading and the pictures of our Jubilee celebrations at KACP.

Take care, Mrs Carlyle

Attendance

Did you know?

If a pupil is persistently absent (90% attendance) they have missed 4 weeks of schooling.

That's equivalent to a whole unit in English or Maths and can create huge gaps in their learning which may be difficult to catch up, creating extra work for everyone.

Farewell

We are extremely sorry to say that we have two members of staff leaving us at the end of this year.

Mrs Moran is leaving to become a lecturer at the University of Winchester and to follow her passion of developing new teachers and coaching students.

Mrs Pyrcoft is leaving to go and work at Admiral Lord Nelson School and support with their development of Maths teaching to ensure a smoother transition for its pupils.

Although it is a very sad time for us here at KACP, we are proud of the amazing roles they have both secured, and excited for the next stage of their journeys!

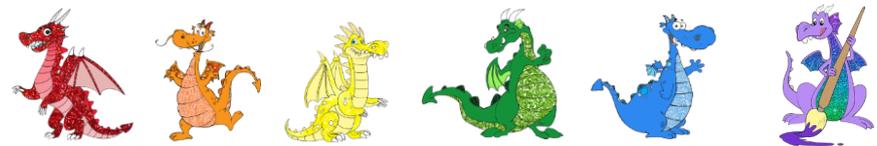

JUBILEE CELEBRATION

Although we didn't make the paper copy of the News, here are two images of a selection of our amazing children taken at our school community Jubilee day that did make the [online edition](#).

A great big **thank you** to the PTA for providing each child at our school with a Jubilee medal as a lovely keepsake of this memorable day. If you would like to join the PTA please email friendsofcpljschools@gmail.com

Thank you to all of you that took part. It really was a day to remember and a fantastic celebration!

All children will be mixed as they move into their next year group.
Each child will be able to choose two friends that they would like to be in their next class.
This will be taken into consideration when allocating each child to their new class.
We will also be using our professional judgement, so if we believe a pupil's choice is not appropriate and could be detrimental to their education, we will discuss this with the parents before allocating a class.
