# Message from Mrs Carlyle

As we come to the end of another busy and exciting term, we'd like to take a moment to celebrate our wonderful school community and thank our families for their continued support.

This term has been packed with great experiences across the school. Pupils have enjoyed hands-on science workshops that sparked lots of curiosity and enthusiasm. Year 5 had a fantastic trip to the Science Museum in Winchester, bringing their learning to life, while our infant children loved their visits to the local library, helping to build a love of reading from an early age. Year 5 have also worked incredibly hard during their swimming sessions, and Year 4 had a brilliant time performing the pantomime.

We are especially proud of our Reception children, who performed so confidently in their nativity after only starting school in September — a real joy to watch. Our WOW certificates have continued to celebrate the fantastic effort, attitudes, and achievements we see every day.

None of this would be possible without the hard work and dedication of our staff. Their commitment, care, and energy make a huge difference to our pupils each day, and we are very thankful for everything they do.

We finished the term with our spectacular Christmas Fayre, which was a wonderful celebration and a real highlight for our community. Thank you to everyone who helped make it such a success.

As we head into the Christmas break, we wish all our families a restful, peaceful, and happy holiday. We look forward to welcoming everyone back in the New Year.

Extra Curricular activities provide students with valuable opportunities to develop important life skills such as leadership, teamwork and social connections. They also contribute to personal growth and help your child build confidence.

## Lost Property.

We regularly collect a large number of unnamed items in lost property. Named items are returned to children whenever possible, so please ensure all items worn or brought into school are clearly named to help us return them. In the last week of each half term, all lost property is placed on both playgrounds for collection. Any unclaimed items are either donated to Hive Portsmouth or responsibly disposed of.

## flu: 5 reasons to vaccinate your child

- 1. Protect your child**  
The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.
- 2. Protect you, your family and friends**  
Vaccinating your child will help protect more vulnerable friends and family.
- 3. No injection needed**  
The nasal spray is painless and easy to have.
- 4. It's better than having flu**  
The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record.
- 5. Avoid costs**  
If your child gets flu, you may have to take time off work or arrange alternative childcare.

Most children have the nasal spray vaccine which is the preferred vaccine. A vaccine injection is also available which does not contain gelatine from pigs (porcine gelatine).

# MAT of the Year!

As you will be aware, we are part of King's Group Academies (KGA). King's Group Academies has been named 'MAT of the Year' at the National School Awards. At the Awards ceremony, KGA was recognised for exceptional growth and transformative children's outcomes.

Judges noted the academic success of individual academies in KGA, whilst simultaneously growing from 9 to 15 academies. They recognised that KGA was able to elevate educational standards across the board. The award commended KGA's International Dimension programme which sees us partner with over 35 schools across the globe. It noted the KGA's forward-thinking Digital and AI Strategy and the many wellbeing initiatives and a dedicated focus on safeguarding and inclusion.

Nick Cross, CEO said: *"This award is a testament to the collective dedication of our children, colleagues, volunteers and leaders. Winning 'MAT of the Year' is not just an award for past achievements; it is validation of our foundational belief: that every child deserves Opportunity and Success on a Global Stage. It recognizes the unwavering commitment of our colleagues who embody our values of Honesty, Faith, and Courage every day. We are incredibly proud, and our work continues—this success fuels our mission to innovate and expand our impact for future generations of learners."*
