Message from Mrs Carlyle

Dear Parents and Carers,

As we approach the end of term, it's hard to believe just how quickly the time has flown. It has been a long and busy term, but when we pause to reflect amidst the end-of-year excitement, we are reminded of just how many high points there have been.

The list is endless: Sports Days, school trips, visitors, end-of-year performances, the Big Reading Picnic and our wonderful year group celebrations - such as Pirate Day. These moments have brought joy and lasting memories to both pupils and staff.

Time and again, the children have demonstrated how polite, hardworking and respectful they are. The positive feedback we receive from visitors and during off-site visits is a testament to their fantastic attitude and behaviour.

We've just completed our Transition Days, and the children have shown great resilience as they experienced their new classes. For some, there have been natural worries, but the overall sense of positivity and excitement throughout the school has been wonderful to see.

On a more emotional note, we will soon be saying goodbye to our incredible Year 6 pupils. Their determination to be the best they can be has been phenomenal, and they are more than ready for the next chapter of their educational journey.

We are also saying farewell to some valued members of staff - Ms MacDonald, Mr Cusack, Mr Worrall, Mr Shearsmith, Mrs Ellcome, Mrs Parsons and Mrs Starnes. They each have exciting opportunities ahead, and we thank them sincerely for their hard work and dedication during their time at our school.

Wishing you all a relaxing and enjoyable summer break. Thank you once again for your continued support in all that we do.

Take care,

Mrs Carlyle

Stomp for Stamps!

Looking for a fun, free way to keep the kids active and entertained over the summer holidays? Stomp for Stamps is back and it's the perfect family activity to enjoy together! This exciting treasure hunt-style challenge encourages children to explore Portsmouth's parks and green spaces while walking, cycling, scooting or wheeling. It's a great way to stay active, enjoy the outdoors, and discover new parts of the city, all without needing the car!

Here's how it works:

- Pick up a free map book and pencils from any Portsmouth Library.
- Head out to explore five fun routes across the city, each featuring a friendly Pompey Monster and a hidden plaque with an animal or insect design.
- Children can take colourful rubbings of the plaques and collect a sticker from the Library for each one they complete.
- Complete at least three routes to earn a special prize - a reusable Pompey Monsters metal water bottle, to be given out by your school when term starts again.
- Plus, new for this year children can try the decoder challenge. Find symbols on each route to decode a hidden phrase for the chance to win a brand-new telescope!

Most routes are designed to be wheelchair and pushchair-friendly, so everyone can join in. Along the way, children will build confidence in map-reading, enjoy creative activities, and learn about healthy, active travel all while having fun as a family. It's a brilliant way to stay active and healthy, learn new skills and enjoy quality time outdoors.

To get started, just visit your local library to collect your free map and crayon.
