

Our Year 2 theme for this half term is:

Twisted Tales

We will be:

English

- Writing for different purposes ensuring that our work is clear for others to read.
- Looking at features of non-fiction texts
- Using a wider range of vocabulary and conjunctions in our writing.
- Spelling common exception words correctly.
- Punctuating sentences with capital letters, full stops, commas, apostrophes.
- Listening to a range of stories based on a similar character.

Maths

- Learning how to multiply.
- Learning how to multiply using arrays.
- Reminding ourselves of our doubling skills.
- Practising and applying the 2, 5 and 10 times tables.
- Dividing using sharing and grouping.
- Learning about graphs.

Science

- Learning about basic needs for survival for animals and humans.
- Learning about different food groups.
- Exploring what makes a Healthy Lifestyle looking at diet, exercise and hygiene.

Music

- Listening to music as part of our well-being activity.

P.E.

- Chinese New Year themed dance.
- Making the most of walking with your family (if you are able to).
- Taking part in online fitness activities such as Joe Wicks and Cosmic Kids.

Computing

- Continue to save, retrieve and edit work.
- Learning to use a coding programme (Scratch) to create our own short story.

R.E.

- Learning about Chinese New Year celebrations.

Art/DT

- Create a junk model wolf.

How can you help?

- Continue to read daily
- Make time to talk with your child about their reading book e.g. events, characters, vocabulary.
- Support your child to complete their Topic Homework tasks this term.
- Practise number bonds with your child with all numbers up to 20 e.g. $7+5=12$, $8+4=12$, $9+3=12$.
