

Our theme for the first half of Spring 2021 is:
'To the Rescue!'

We will be:

English

- Sharing a range of Superhero stories
- Using 'and' in our writing to join ideas
- Working on carefully sounding words out, spotting digraphs and split digraphs in our reading
- Checking our own work to ensure we have remembered capital letters finger spaces and full stops
- Learning to use the suffixes 'ed' & 'er'

Maths

- Learning some of our number bonds
- Revisiting addition with numbers beyond 10
- Revisiting subtraction with numbers beyond 10
- Using number bonds to support addition and subtraction strategies

Science - Seasons

- Understand about changes including deciduous and evergreen trees
- Observe and describe weather associated with the seasons
- Look at how day length varies

Computing

- Learning about algorithms and using this to control a program
- Moving a BeeBot by sequencing a set of instructions

P.S.H.E.

- Talk people who are special to us
- Identify different roles people play in our community

Music

- Clapping a rhythm
- Learning how to copy a rhythm by clapping
- Creating own rhythm using 2beat

Art

- Learning about the Artist Paul Klee
- Designing and making artwork in the style of Paul Klee

P.E.

- Create balances on the floor safely on different body points (elbows, knees, feet)
- Make a short sequence of different balances
- Cosmic Yoga, PE with Joe Wickes, just dance videos

History

- Finding out about Grace Darling and why she is considered to be a real life hero
- Learning about heroes from our community and how they have been recognised.
