

# Year 6 leavers' hoodies

Friends of CPLJS are once again organising the Year 6 leavers' hoodies shop, which is open from now until 11pm on **Tuesday 31st May 2022**.

Here's the link to the shop!

Hoodies are available in a number of colours and have been designed with the school logo on the front, and the first name of all year 6 students on the back. (Nickname is optional)

**Please make sure that you place your order before the deadline.**

After placing an order, you will still have access to your order so that you can make any changes up until the store closes.

Unfortunately, no orders can be accepted once the shop has closed. Once all orders have been placed, the hoodies will be produced and delivered to the school. This process should take about 3 weeks from the shop closing.

**Will my child be able to wear their hoodie to school? Yes they will!**

Have any questions? You can email us at [friendsofcpljschools@gmail.com](mailto:friendsofcpljschools@gmail.com)

*The price of the hoodies is based on a minimum number of orders placed. Any money that is made from this activity (where number of orders sufficiently exceeds the minimum) will be put towards year 6 leavers activities.*
