RSE Parent Consultation

Dear parents and carers,

From September 2021, all primary schools in England have had to teach Relationships Education.

The focus in primary school should be on teaching the fundamental building blocks and characteristics of positive relationships, with particular reference to friendships, family relationships, and relationships with other children and with adults.

We are reviewing our relationships and sex education (RSE) curriculum and policy, so we can be sure our RSE provision is appropriate for our pupils based on their:

- Age
- Physical and emotional maturity
- Religious and cultural backgrounds
- Special educational needs and/or disabilities (SEND)

We need your feedback to help us do this.

Here's how you can help:

To help you understand the curriculum requirements we need to meet, please take a look at the enclosed summary of what all pupils are expected to know by the end of primary school. On our school website we have added key information about our curriculum and how it is taught. Please review this information and complete the online survey. The survey will be closed on **Monday 20th June**.
