## King's Academy College Park

A King's Group Academy

Headteacher: Mrs R Carlyle

Sunday 17<sup>th</sup> July 2022

### **Amber Weather Warnings**

Dear Parents/Carers,

Following on from the letter sent on Thursday 14<sup>th</sup> July, I would like to let you know about our plans to keep our pupils safe over the next two days at school.

A risk assessment has been completed and is available to view on our school website.

There will be some significant changes to how the school day will be running:

- Pupils will be having a short 15 minute break outside before 10am
- PE lessons will be class based
- Children will not be permitted outside between the hours of 11am and 3pm
- Lunches will run as wet play (children to remain in the classroom)
- Assemblies in the hall will be cancelled

In the meantime, we kindly ask to make sure your child has:

- Plenty of water (not juice or squash) or a bottle that can be filled
- Ensure they have sun cream applied in the morning before school
- A hat to wear whilst on the playground

Please also note:

- If your child needs support applying sun cream, and if you are happy for staff to do this, please let us know in the morning. Please send any sun cream in labelled with your child's name and class.
- Please try to arrive as close to your child's pick up times to avoid waiting in the sun for too long (Juniors 3pm, Infants 3.15pm).
- Please send your child to school in their PE kit or simple shorts and t-shirt. Guidance is cool, light coloured clothing. **Football kits, crop tops and string vests are not permitted.**

If your child has a medical condition which means they are at higher risk during the higher temperatures, please let us know of any additional medical advice. We will follow all protocols currently in place.

Many thanks

Mrs Carlyle  
Headteacher
