A King's Group Academy

Headteacher: Mrs R Carlyle

Thursday 22nd September 2022

Dear Parents/Carers,

Thank you to our families that have shown support for our decision to take part in our school streets trail which is starting on Monday 26th September.

Unfortunately, it cannot run successfully without the support of volunteers, and as of this morning, we have not had any offers to help. This could potentially mean having to end the trial early.

If you can give up just one session to help us make this a success, it would mean we are able to run the full trial to really see how it can improve the safety of our school site.

We are happy to offer childcare during the times of the road closures to help any willing parents out!

- ✓ You would be responsible for setting up and removing lightweight barriers and signage at road junctions near school during the trial to allow children, parents and carers to walk and cycle safely.
- ✓ You'll need to be good with children and be happy to answer queries from parents and the public.
- ✓ This position will involve some light carrying duties

There is training for any interested volunteers happening this evening at 6.30pm via Microsoft Teams. Details of this can be sent to any interested families via Studybugs. Please just let our office team know.

Many thanks

Miss N Pullen

Deputy Headteacher
