King's Academy College Park

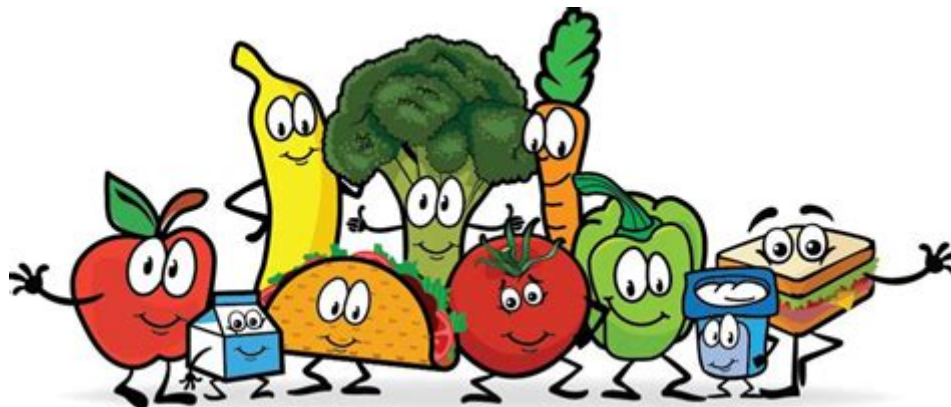

A King's Group Academy

Headteacher: Mrs R Carlyle

Dear Parent/Carers,

The school has been working closely with Caterlink to ensure we are providing our children with meals that are healthy and nutritious. With this in mind, we have made the decision to ensure that children have the option of a hot lunchtime meal in line with the government's food standards legislation.

We will continue to provide packed lunches for our school trips, but there will no longer be a daily cold/packed lunch option for our Infant school children after half term. The Yellow option will be replaced with a jacket potato and a variety of fillings.

Caterlink are introducing some great new additions to our lunch menu, a 'Build a Burger Day' which includes a vegan option and a new 'Mac & Cheese Station' with a choice of various toppings. We are sure these will prove popular with our children.

From 31st October 2022, both our Infant and Junior schools will offer the same menu.

Kind Regards

Mrs Richardson
Assistant Headteacher
