Monday 5<sup>th</sup> September 2022

Dear Parents/Carers,

We have had a wonderful first day back at school today and it has been fantastic to see our pupils looking incredible smart in their new uniforms. I would like to take this opportunity to say thank you to all of our families for their support in making this a reality for us as a school, as we continue on our journey of 'two schools, one vision'. Please can all parents and carers ensure that their children have an appropriate bag, and completely black shoes or trainers. If you are unsure about any aspect of the uniform, you can find information in our school information booklet, which was sent out at the end of term and again on Friday, or check our school [website](http://www.kgacollegepark.uk).

### **Curriculum Meetings**

As part of our aim to develop our school community and improve communication with families, we will be holding two curriculum meetings per year for each year group. The first of these will be held this month.

This will be an opportunity to find out about what your child will be learning over the year and also have a chance to talk to your child's class teacher informally about how your child is getting on ahead of parents' evenings in November.

All events will take place in the junior hall at 3.30pm and be repeated at 4.30pm. Please enter via the main junior gates on Crofton Road. We look forward to welcoming you into the school for the first time this year!
