Headteacher: Mrs R Carlyle

27th February 2023

Dear Parents and Carers,

The Trust has informed me today of an additional INSET day. This will take place on Friday 31st March 2023.

Before half term, we had a visit from our School Development Partner, who carried out a Quality Assurance, she acknowledged how the school had moved forward since September 2021. She recognised that the children are at the heart of our school community and how staff are proactive in embedding changes in order to give the children the very best.

I understand that this is short notice and the difficulties that it might create regarding child care. However, the additional day will allow us to address school development actions raised from the Quality Assurance process in readiness for the summer term.

Thank you once again for your continued support and understanding,

Best wishes,

Mrs Carlyle
Headteacher
