King's Coronation filming

Dear Parent/Carers,

As part of our preparation for celebrating the King's Coronation, selected pupils at King's Academy College Park will be filmed by Meridian TV.

All pupils in the Early Years will be filmed whilst doing activities related to the event and singing. We also have a number of pupils in the Junior school who will be interviewed about their thoughts and understanding of the coronation ceremony.

Your child is one of the children who will be filmed. The filming will take place on Tuesday 25th April 2023.

We already have media permissions which you completed when your child started here at KACP which state whether videos and images can be taken and shared of your child, however, I wanted to give you additional notice for this event.

If you would prefer for your child not to be filmed for these purposes, please let the office know by emailing contact.cp@kingsacademies.uk.

Many thanks

Miss Pullen
