

Book Awards Ceremony

Inspiring Adult Award

The Inspiring Adult Award seeks to acknowledge that adult in school, be it librarian, library assistant, member of staff or volunteer who has inspired children to read and fostered a love of reading.

Our pupils have been invited to nominate an adult who has inspired them in reading.

If your child would like to nominate an adult, please submit their response to school by Friday 19th May.

Could their nomination please come in writing, either electronically via the school office email: contact.cp@kingsacademies.uk or handed in on paper, and include your child's reasons for their choice.

Many thanks for your continued support.
