Monday 20th May 2023

Dear Parent/Carers,

During our Year R parent and child reading morning this week, we would like to come round and take photographs of the adults and children reading together. We will use these images on our school website.

We already have media permissions from you which state whether images can be shared of your child in this way, however, we wanted to give you additional notice for this event. This also gives you the opportunity to opt out of appearing in these images and having your photograph taken.

If you would prefer for you and your child not to be photographed for these purposes, please let your child's teacher know on the morning of the reading session.

Many thanks

Miss Pullen
Deputy Headteacher
