King's Academy College Park - Opportunity and Success on a Global Stage

International Day

Dear Parents and Carers,

On the 17th May we sent you an invitation to take part in our upcoming International Day.

Due to the planned strike action, we will be changing the date of our International Day event to **Monday 10th July**. Additional information about the day can now be shared as opportunities from outside agencies have been confirmed.

Rationale: KGA promises to offer its students opportunity and success on a global stage. Our vision is to create a global community of pupils and staff, developing character, broadening horizons, fostering understanding and raising aspirations through the golden thread of our trust, the International Dimension. KGA pupils are exposed to an internationally-focused curriculum, enriched with opportunities to celebrate cultures and challenge global issues. Partnerships with both international and local schools overseas offer pupils meaningful connections with the wider world, enabling them to thrive in a global society.

What children can expect on the day: Children will be taking part in a carousel of fun activities throughout the day in their year groups. Some children will be experiencing traditional dance or sports from different cultures around the world so please ensure that your child has their PE kit in school.

Dress-up: To add to the excitement and to promote a lasting impact of the day, we invite your child to wear clothes that represent a culture of their choice. This may include items of traditional dress or may be the colours of a country's flag that they are interested in.

As always, dressing up is completely optional and should not be at a great cost to our families.

Special menu: Caterlink will be providing us with a special menu to help celebrate the day with meal options from around the globe! *More information to follow shortly.*

We are very excited to hold our first International Day and look forward to enjoying it with your child(ren).

Best wishes,
Mrs Gaston
Assistant Headteacher
