Mental Health and Wellbeing Questionnaire

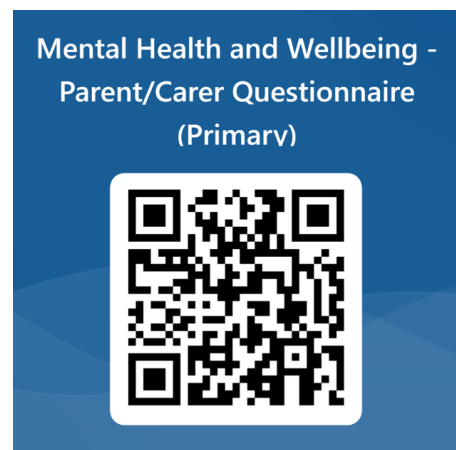

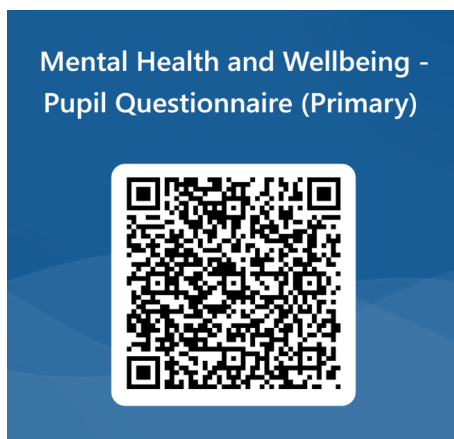

Dear parents/carers,

Mental Health Support Teams (MHST) and King's Academy College Park are working together to support the mental health and wellbeing of the school community.

To do this, we want to understand how the school is currently supporting mental health and wellbeing by undertaking an audit and gaining perspectives of the school community, staff, children, and parents. We are therefore asking that you fill in the attached questionnaire to aid in this process.

The questionnaire is anonymous and will take no longer than 5 minutes to complete. We would really value your feedback.

Please scan the relevant barcode to complete the survey (**Pupil or Parent/Carer**)

We thank you for your continued support.

Kind regards,

Mrs Childs & Mrs van Wyk
