Artefact Donation Request

Dear Parents/Carers,

In order to enrich our students' understanding and appreciation of different religions and world views, we would like to ask for your support in donating religious artefacts and books.

Our aim is to create an immersive and engaging learning environment where students can explore and deepen their knowledge about various religions and their associated beliefs, customs, and practices. By having access to authentic religious artefacts and books, our students will be able to develop a more comprehensive insight into the cultural and religious diversity that exists within our society.

We would greatly appreciate any donations of religious artefacts that you may have and are willing to contribute to our school community. Specifically, we encourage items from Christian, Islamic, Hindu, and Roman Catholic religions, such as bibles, Qur'ans, prayer beads, religious symbols and any other significant objects or materials.

It is important to note that all donated artefacts will be handled with respect and care. We understand the significance and sacredness of such items, and we will ensure they are used solely for educational purposes within the confines of our Religion and World Views lessons.

If you have any items to donate, please drop them off to the Main Office.

Thank you for your support and participation in this endeavour.

Yours faithfully,

Miss Turner and Miss Mihell
