### **After School Club Offer - 2023-2024**

Dear Parents/Carers,

I am pleased to inform you that we have agreed our after school club offer for this academic year. These clubs will be free of charge, and will run on selected days until 4pm. We have based this year's clubs on the ones that were most popular last year, along with some specialist areas to support your child's confidence and interests.

- **Origami:** Want to find out how to make a cat out of paper? Want to be creative? Then this is the club for you! Let's see how it all unfolds
- **Gardening:** For any 'budding' gardeners out there, this is the club for you!
- **Art Attack:** If you enjoy painting and drawing then join us to have fun, be creative and express yourself through art
- **Spanish:** Hola! Do you want to learn how to speak another language? Do you like learning through song, games and role play? If so, then this is the club for you! Bienvenidos niños y niñas!
- **Computing:** Love technology and games? Put your knowledge of coding to the test and create your very own game.
- **Choir:** Do you love to sing? Do you like to sing in a group with others? Then this is the club for you! Join the choir and find your voice.
- **Journalist Club:** Do you have a passion for writing? Do you want to write for a real newspaper? Then come be part of our club where we will research and write about breaking news in our school.
- **Multi-sports:** Do you love sports? We will be using this time to develop our skills in different sports and activities!

Please complete the [Google Form](#) to give your choice of club and we will do our best to accommodate.

Many thanks

Miss Pullen

**Please see details of the clubs and a timetable on the next page.**
