Duckling Hatching Experience

Dear Parents/Carers,

During our Spring Topic, Paws and Claws, the children will be learning all about different animals and their life cycles. To bring this to life, we have the amazing opportunity to have duckling eggs delivered to the school. The children will then be able to watch them hatch and take care of them as they live in our classrooms for 10 days. This is a fantastic experience for the children and one that is always remembered fondly by all.

If anyone would like to re-home the ducklings at the end of the ten days please do let your class teacher know.

Date: 4th - 14th March 2024

Cost: £2.90

Payment via ScoPay due by 29/02/2024

(As our School works towards becoming cashless, we ask that you only pay with cash when necessary)

Payment is asked for as a contribution towards this event, however if we do not receive enough contributions by the due date, the event cannot go ahead. Contributions are non-refundable.

Best wishes,
Miss J. Cooperthwaite
Year R Leader
