Zoolab

Dear Parents/Carers,

We have organised an exciting opportunity for our Year 3 children to help enrich their learning in our science topic looking at living things. ZooLab are a dedicated team of people who have educated and inspired children through ethical and engaging hands-on animal encounters for over 20 years. Each class will take part in an educational workshop designed to deliver fun, educational experiences that support our required curriculum objectives. ZooLab workshops engage learners in a safe, secure and stimulating environment under the guidance of an expert ZooLab Ranger.

Last year this visit was a huge success with our children having the opportunity to meet snails, snakes, cockroaches, spiders and interesting insects!

Date: Thursday 18th January 2024

Time: Within the school day

Cost: £6.85

Payment via ScoPay due by 08/01/24.

(As our School works towards becoming cashless, we ask that you only pay with cash when necessary)

All children will take part in this event unless you request otherwise. Please advise your class teacher if you do not want your child to take part.

Payment is asked for as a contribution towards the trip, however if we do not receive enough contributions by the due date, the trip cannot go ahead. Contributions are non refundable.

Best wishes

The Year 3 Team
