Ofsted Outcome

Dear Parents and carers,

I am so pleased to be able to share with you the report from the Infant school Ofsted Inspection which took place on Tuesday 22nd November and Wednesday 23rd November 2023.

There is so much to be proud of and the report is a positive reflection of the school, staff and pupils. The opening paragraph truly celebrates the ethos of the school;

'Pupils are happy and safe in this vibrant school. The schools 'dragon values' of kindness, responsibility, resilience, teamwork, challenge, independence and creativity are well understood by pupils. They are proud that these values guide them in school and beyond. Pupils know that staff expect them to behave well. They are respectful and considerate of each other. Pupils say, 'Everyone is kind here, so no one has any broken feelings.'

I would also like to thank you as parents and carers for completing the 'Parent Survey'. The responses were positive, supportive and so appreciative of all that we strive to do for our pupils here at King's Academy College Park.

If you have any questions regarding the report, please contact the school office and they will arrange for a member of SLT to make contact with you.

Again, thank you for your continued support and recognition.

Best wishes

Mrs Carlyle
