## King's Academy College Park

A King's Group Academy

Headteacher: Mrs R Carlyle

Monday 11th March 2024

Dear Parents and Carers,

Following on from our recent set of assessments, I would like to update you on how we will be meeting the needs of our pupils in order to make sure they are able to reach their full potential by the end of Year 6.

Firstly, we will be introducing homework. This will take two forms:

1. Reading comprehension work to be completed on a Monday, Tuesday and a Wednesday. This is to ensure all children are reading at a year 6 level, and can be done instead of other home reading activities. This will be done either in class as a whole, or with a member of staff in a small group.
2. Maths using an online resource called My Maths. A number of tasks will be set each week for your child to complete. This self marks and will also be used for additional intervention work in the afternoons.

Secondly, we will be running a number of interventions that will take place in the school day. A separate letter will be sent to you if your child is going to be a part of these interventions.

Finally, we will be running some after school 'catch up' clubs which will focus on maths. Again, a separate letter will be sent home inviting your child to attend.

In order for this to be successful, we need your support giving a positive approach to these interventions. Although the completion of homework is not mandatory, we appreciate your support in ensuring your child completes this in a timely manner.

If you have any questions or would like to speak to me about these changes, please contact the office.

Miss Pullen  
Deputy Headteacher
