LGBTQ+ Assemblies

Dear Parents/Carers,

Thank you to those who have sent feedback about our LGBTQ+ assemblies next week. I would like to give you a bit more information about what they will entail and apologise for any confusion around the content.

The assemblies will follow the themes from our PSHE curriculum and will be age-appropriate in content.

The assemblies are adapted for different key stages, for example in the infant school we will be reading a book called ['My Daddies' by Gareth Peter and Garry Parsons](#) under the curriculum area *Learning what it means to be a family and how families are different, e.g. single parents, same-sex parents, etc.*

In Years 3 and 4 we will be reading a book called ['The Pirate Mums' by Jodie Lancet Grant](#) which celebrates what makes our families unique, under the curriculum area *To recognise and respect that there are different types of families, including single parents, same-sex parents, step-parents, blended families, foster and adoptive parents.*

In upper key stage 2 the assembly will be focusing on treating people equally and respecting those with different lifestyles to our own and pupils will learn about some famous faces who have experienced discrimination and how they have overcome this.

You can find out more information about our PSHE curriculum on our [website](#).

Your sincerely

Mrs R Carlyle
