Dear Parents and Guardians,

Re: Incident During Today's Bikeability Session

I hope this letter finds you well. I am writing to inform you of an incident that occurred during today's Bikeability session that involved the Bikeability instructor and a member of our local community.

During the session, the group of children witnessed a member of the local community addressing the Bikeability instructors in a disrespectful manner, which included the use of foul language. I want to assure you that, at no point, were the children at risk of harm. However, we understand that witnessing such behaviour can be unsettling.

Upon returning to school, Mrs. Gaston met with all the children to discuss the incident. We were deeply impressed with the level of responsibility and resilience demonstrated by the children during this discussion. It is evident that our students handled the situation with maturity and composure.

In addition to our internal follow-up, the Bikeability team has reported the incident to the appropriate authorities through 101, ensuring that appropriate actions are taken. We believe it is important to address such incidents promptly and responsibly.

If your child expresses any concerns or if you have any questions regarding the incident, please do not hesitate to contact us. Our primary goal is to maintain a safe and positive learning environment for all our students, and we appreciate your partnership in achieving this.

Thank you for your understanding and cooperation

Yours sincerely

Mrs R Carlyle
