Year 6 Assessments

Dear Parents/Carers,

It has been lovely today to see our Year 6 pupils back in school with smiles on their faces. I hope they have all had a good chance to relax and have fun over the break.

A number of pupils have been asking about their next assessment, and I thought it was worthwhile getting in touch to clarify what will be happening this term with Year 6.

Firstly, I would like to let you know that at KACP, our aim is to provide the pupils with a positive school experience, that is not solely focused on one week of assessments, whilst being mindful that these assessments are a vital part of your child's education.

In order to achieve this, we do find 'mock' assessments helpful to identify gaps in knowledge to ensure your child gets the best possible results, but will only do them if they are purposeful. With this in mind, we will not be completing any practice assessments until after the February half term, to ensure we spend as much time teaching as possible.

In order to support your child, we recommend the following:

- Daily reading of a book which will develop their vocabulary
- Daily times tables practise on Times Tables Rockstars
- Spelling practice - word lists and weekly spellings

If you would like any additional information or individualised support for your child, please get in touch via the school office.

Many thanks

Miss Pullen

Deputy Headteacher
